

Session Name	Speaker Email	Attending the session was an effective use of my time.	I would like to see other sessions offered by the presenter(s) at a future Georgia Educational Technology Conference.	From this session, I acquired knowledge and/or concepts and/or strategies that I can use in my job, professional development, or studies.	The instructor was able to answer questions sufficiently.	The instructor was well informed on the subject matter.	I would recommend this session to others.	The presentation strategies employed by the presenter (s) was (were) effective in presenting the session content.	The presenter (s) communicated effectively when responding to questions from the participants.	The session met the objectives stated in the description on the website.	The session was well organized.	Please provide any additional comments here
